Letter from same dated 26 September 1884 enclosing Minutes of Evidence taken at the Enquiry held before Dr Woodhouse Esq on the 16th inst. into the two cases of immorality which occurred in the Dr. Woodhouse

Dr. Woodhouse Hospital, and detailing the circumstances under which these two Women (Shel and Lyons) became pregnant while employed as Assistant Nurses therein. The foregoing matter having been considered it was unanimously resolved that we consider the Inquiry into the late cases of immorality not satisfactory in as much as that the reputed fathers got no intimation of the charges brought against them, as they may be in a position to refute the charge, and thus doing so escape the means of arriving at a knowledge of who the culpable party is.

The Medical Officer transmitted two Statements in writing in connection with those cases and which the Board also enquired into in his presence.

Letter from the Agent to the Western Insurance Company dated 23 September 1884 stating that the Directors agree to the placing of a stove in the Hospital Laundry provided that the Stove & Pipe are of Cast iron placed on a stone or earthen floor and in no part nearer than fourteen inches to woodwork.

The Board directed the Clerk to transmit the Policy to the Agent in order to have the Consent duly endorsed thereon so the conditions can be fulfilled.

Letter from Rev. Officer Glynn dated 27th September 1884 explaining that the cause of his absence from last Meeting was owing to his having been called on that day to visit an urgent case seven miles from his home—a man suffering from a feverish cold and whom he had to relieve provisionally.

the Local Government Board informed the Guardians to this effect last January. The question of applying elsewhere for a Loan was postponed to next Meeting and it was proposed by Major Rogers seconded by Mr. Roche

That we have every reason to be dissatisfied with the action of the Local Govt. Board in this matter in as much as the Board of Works consented to grant the Loan conditional on the Local Govt. Board giving their consent, and the Local Govt. Board instead of facilitating the Loan seemed to throw every obstacle in the way of our obtaining it, and we are of opinion that had the Local Govt. Board simply given the consent asked for by the Board we would have been in receipt of the Loan long since, which would have effected a considerable saving to the Ratepayers.

The cases of Provisional Relief, and applications for relief, were considered and decided on, as set forth in the Application and Report Books. Carried unanimously

The number of Provisional Admissions to the Workhouse conformed was - 17

Ditto disallowed, - - - - -

The number of Applicants admitted to the Workhouse was - 2

The number of cases of Provisional Outdoor Relief was - 3

The number of other Applicants in the Relieving Officers' Books relieved by order of the Guardians was - - - - -

The number of Applicants for whom relief was not ordered was - - - - -

The Bonds and other securities in force were laid before the Guardians by the Clerk, together with his report thereon, as follows: (This on the second Meeting after the Annual Election in every year).

(See also Minutes of the Guardians' proceedings under the Medical Charities Act, and as the Rural Sanitary Authority.)

Next Meeting of the Guardians to be held on _____ the _____ day of _____ 188 .

(Signed,)

Clerk of the Union.

Letter from Mr. B. Rochfort dated 27 September 1884 stating that as he resides so far from Loughrea and cannot often attend the Board's meetings and feeling dissatisfied with the Guardians for endeavouring to block cases of immorality which occurred in the Hospital he begs to resign being Guardian for the Cappalusk Electoral Division.

The Board directed that the document in question be transmitted to the Local Govt. Board.

Letter from Rel. Officer Hanniffy dated 4 October 1884 tendering his resignation of the office of Rel. Officer and San. Sub. Officer for the Clonkeen Relief District and stating that he would get a substitute until the new officer takes charge.

The resignation having been accepted, the Board directed to advertise for the appointment of his successor on the 15 inst at the same rate of salary. Mr. Hanniffy agreeing to discharge the duties in person till then.

With reference to the disallowance made by Col. O'Hara at his late audit of the Union Accounts against Rel. Officer Hanniffy for the sum of £2.16.1 the Board having inquired into the matter and heard the statement of the Relieving Officer thereon are of opinion that Hanniffy gave the clothes under a misapprehension of his provisional powers of relief and the Board believe that the family thus relieved was at the time much in need of the clothing and bedding given them. They trust the Local Govt. Board will be pleased to represent to Col. O'Hara the advisability of withdrawing his disallowance under the circumstances.

The tender of James Fode was accepted at nine pence upfallen for the supply of one third the Sweet Milk required up to the 31st inst. and

and a sum of £2 allowed to a man named Patrick Flaherty to aid his emigration expenses to America - the sanction of the Local Gov Board to be requested thereto.

The Schedules of outstanding Rates having been inquired into by the Guardians present and the Rate Collector, the Clerk was directed to transmit the Schedules to each of the absent Members for the Division he represents, and request he would examine same and return it back with his observations at earliest convenience.

Mr. O'Connell's opinion to be ascertained whether the Rates appearing uncollected in the late Collector Skerrin's District could be brought into the new Rate Books as arrears, and that he submit the case to Counsel if deemed necessary by him.

A late recipient of out door relief named Martin Murphy, having complained that Rel. Officer Glynn did not give him the amount allowed him by the Board, which statement the Rel. Officer denied the matter was referred to Mr. Proderick (the Guardian for the Division) to inquire into.

The Clerk having submitted the proposals received from Messrs. Thom and John Hentley for printing 70 Copies of the Abstracts of the audited Accounts the Board accepted that of Mr. Kelly Longtree at £1.10.0.

Upon the application of the Med. Officer a Supply of Medicines was ordered for the Workhouse Infirmary.

Rel. Officer Bourne reported that he visited Pat Janney, hired out to service by Mr. Morahan Kilmeen and Thomas Kelly by Mr. Mullen Longtree, both of whom stated they were well treated, and allowed to attend regularly to their religious duties.

The Board directed the abk. Rel. Officer to submit their reports at next meeting regarding the Children hired out to service.

Letter from same dated 10th Oct^r 1884 referring to the Loan applied for erecting the new Building for the Nurses at the Whoree Hosp^d. Stating that they consider the resolution passed at last Meeting

Meeting to be entirely uncalled for, that they had in their letter of the 3rd January last pointed out that the Commissioners of Public Works had ceased to lend money for making additions to Workhouse Buildings and as the required Loan did not come under the provisions of the Public Health Act, they would not be a party to its being obtained from the Board of Works under a misapprehension of the nature of the Loan applied for.

We see no reason for altering our opinion already expressed, and we consider that under Sec 133 of the Public Health Act the Local Gov^t Board had ample authority to sanction the Loan, as coming within the provisions of that Section.
