40580/82

Letter from same dated 31 October 1882 transmitting a copy of the letter addressed to the Board at last Meeting by the woman Bridget Loughmare suggesting that on the first instance P^r O'Connell be called on for a written explanation of the complaint made therein

The Relieving Officer having submitted his explanation the Board directed the Clerk to forward it to the Local Government Board and to state that the Board considered O'Connell's explanation most unsatisfactory and believe that he has frequently neglected his duty both by omitting to give the relief regularly and also by giving relief to the poor instead of money as he was directed to do by this Board. Under these circumstances and in order to put a stop to a system which has led to very great abuses the Guardians request that the Local Government Board will order a sworn inquiry into the charges made against O'Connell. The Board having referred to the Rates outstanding on the late Collector Heffernan District

ordered that in as much as it appears the Sheriff has made no return in regard to the execution obtained against the late Collector Heffernan District that Mr. O'Connell own Solicitor be instructed to have judgment entered against the holding of each of the parties and sold to satisfy the debt

A Committee of the Board (the Chairman and Mr. Deely) was appointed to confer with Mr. O'Connell thereon
