Your Committee

have to report that they attended at the Workhouse on the 16<sup>th</sup> ultimo and took stock of the clothing in use and in store that day. On comparison with the Clothing Books there appeared a few discrepancies which might have occurred in counting over the articles so separated and divided. Having got the unservicable articles separated from the good they recommend to reject the following as unfit for use and to be disposed of as suggested by them on the last occasion of stock taking
