The following Letters from the Local Government Board for Ireland and others were read by the Clerk, and directions given to answer them respectively to the following effect (or Orders made on them respectively as follows):—

128 Feb 89
In Circular from The Local Government Board dated 21st January 1890 requiring a Return of the number of Lunatics and Idiots in the Workhouse on the 31st December last

1730/90 Letter from same dated 21st January 1890 referring to certain parties relieved in this Union under "The Evicted Poor Protection Act" and stating that the powers entrusted to the Relieving Officer by Section 4 thereof were clearly given to enable him to relieve persons becoming destitute by reason of their being disposed of or removed from their dwelling Houses untill their Cases could be brought before the Board and that they do not consider the Relieving Officer is called upon to afford relief under this Act where application is not made to him until a Considerable period has elapsed from the date of Eviction

Eviction but that he has power to afford relief at any time under Section 7 of The Irish Poor Relief Extension Act, that as regards the Case of the evicted tenant Connolly observing that as already pointed out to the Guardians they can only afford him relief for one Calendar month from the date of his eviction from his holding

With reference to the foregoing letter from The Local Government Board - the Board of Guardians have to draw their attention to the fact that provisional relief had been given in the Case of the evicted tenant Connolly by the Relieving Officer on the 8th December last and the Board consider that the relief ordered by them should date from the giving of such temporary relief and not from the date of Eviction as stated by them, as the Act does not lay down the time that an evicted tenant becoming destitute by reason of his Eviction might make application for relief and the Board would be anxious to ascertain the Local Government Boards definition of the words "Considerable time" as referred to by them

Letter from Colonel O'Hara dated 20th January 1890 requesting that application be made to Major Rogers and Mr Edward Kean to lodge with the Treasurer to the Credit of the Union or transmit to him before the 25th inst the sums of £1 and £8 respectively surcharged against them at his last audit of the Union Accounts otherwise he would have to take proceedings against them for its recovery. The Clerk stated that he had complied with the foregoing

Letter from Collector Dooley dated 24th January 1890 stating as regards the Complaint of Mr Kieran referred to in Minutes of last Meeting - that the receipt

receipt for the Rates paid by him was duly filled and the amount lodged with the Treasurer and that it must have been either lost or mislaid and that he has to express his regret for giving this gentleman so much trouble in the matter.
Order collector to send Mr Kirwan Duplicate Rate Receipt

Letter from Mr Martin O'Halloran dated 25 January 1890 drawing attention to the neglected state of the Widow Connors a recipient of Out Door Relief in the Kiltulla Electoral Division and that she requires medical attendance and moreover the Relieving Officer has neglected his duty in her case

Relieving Officer Connolly was called before the Board and directed to forthwith attend to this case

The Board approved a resolution received from The Mill Street Board of Guardians recommending

8th February 1890

Your Committee beg to report that agreeably to your request they visited the Hospital on Saturday Evening and consider it would be very desirable provide some accommodation for the patients therein. A space on the landing at the head of the stairs on both Male and Female sides could be partitioned off and an earth closet placed inside in each, access to be had by a door opening into this recess and the closets to be daily emptied and supplied with Dry Earths Ashes & sifted fine

This if carried out will be a great improvement in the internal arrangements of the Hospital, and tend to secure decency and regularity amongst the patients, as the want of some such system, or Night accommodation was noticed by your Committee when inspecting the Hospital on the 25th ultimo and the proposal to provide the like emanated from them on that occasion.

The Sisters in charge of Hospital urgently require a Sewing Machine and the services of a Carpenter for a few days which we recommended to have granted by the Board

Signed on behalf of
Committee
Peter J Kelly
