Other Members:

Read Letter from Mr. J. W. Rosengrove Esq dated 19th February 1890 stating as regards the report of Mr. Deane - a copy of which had been furnished to him by the Clerk - that it would be well if the Contractors were communicated with to know the definite time when both original and extra works will be completed as he sees no reason why all should not be finished off immediately; that he considers the Board would be safe in advancing each Contractor the sum of £40 as suggested by the Local Government Board and that it is the Contractors' own fault that they are not by this time paid the entire balance due them at foot of the Contract.

The Clerk was directed to communicate with the Contractors thereon and a Requisition was signed for £40 each on 4th of the March and Loughrea Loans and addressed to be transmitted to the Board of Public Works.
