MINUTES of Proceedings of the Board of Guardians under the above-mentioned

Acts at a Meeting held on _____ the _____ day of _____ 189

PRESENT—In the Chair,

Other Guardians:—

With reference to the foregoing, It was
Ordered, Believing Officers to call on
Mr. Shewry to come into the House Clerk
to carry out instructions of Auditor as
regards clothing

An Estimate of Medicines, &c., required by the Medical Officer of the Loughrea
Dispensary District, approved by the Committee of Management, was laid before the Board,
with a requisition from the Committee for the supply of the same, and directions were given
thereon as follows:—

To be procured from the
Contractors

An Invoice of Medicines forwarded by the Contractor, for the
Dispensary District, in pursuance of an Order of the Board in their Minutes of
having been received from him, the Clerk laid the Invoice before the Board, and was directed
to forward the same (or reported that he had forwarded the same, as the case may be) to the
Medical Officer of the District, retaining a Copy of the Invoice for the use of the Guardians.

On application of the Committee of Management of the
Dispensary District, the following supplies of Books, Stationery, Forms, or other requisites
were ordered to be supplied:—

The above is a correct statement
of Balances D^r and C^d taken from
Union Ledger at close of Account for
Half Year. I do not think the out relief
given to Ellen Shewry can be continued
she is represented as married, but
deported by her husband and with her
children is in the receipt of relief as if
she were a widow with children. The
Workhouse is proper place for relief in
this case. I must draw the attention of the
Guardians to the cost of clothing given to
prisoners leaving the House. Two accounts
have been paid to contractors for clothing
under this head amounting to £32: 6: 3. A
very considerable portion of the £123 the
cost of the clothing for the whole Establishment.
There is no legal authority for expenditure
of this kind, but it is doubtless occasionally
desirable to enable prisoners to earn their
living out of the House and should be
charged to the Clerical Division to
which the pauper is chargeable, but this
cannot be done in the clothing account
in maintenance and I have directed the
Clerk to credit the clothing account with
this £32: 6: 3 and to debit the Clerical
Division with the amount properly chargeable
to them for this in the Section A and account
in next Half Year's account. I would refer
the Guardians to the Journal of the Local
Government Board of November 1893 in
regard to this expenditure which is the only
order or circular that I find bearing on the matter.

Signed, J. M. Macaulay

21st January 1897
